

## **BOYS & GIRLS CLUB**

### **OF VALDOSTA**

Dear Parents,

I would like to personally welcome you to the Boys & Girls Club of Valdosta summer camp. I would like to say that the safety and welfare of your child is our number one priority and we hope this summer will be exciting and fun for you and your child. Our hours of operation are 7:30 a.m. until 5:30 p.m. Monday through Friday. For your convenience calendars are available showing time and dates for upcoming events, activities, and field trips. The theme for this summer is “**Peace Love B&GC( Peace Love Boys & Girls Club)**”. Our summer program will consist of a **THEME SUMMER** where as each week will present a different theme and within that theme there will be scheduled activities, events, and field trips. We encourage the participation of each member and the support of parents to make this a successful summer.

Parents, we will have two mandatory organization parent orientations Schedule May 28, 2010 at 6:00 pm and June 4, 2010 at 6:30 pm at the Lake Laurie Unit. It is a **must** that parents attend! Parents please do not allow your child to bring **electronic games, Poke’mon cards (etc.), or cell phones** to the club. If these items are found at the club, we will keep them until the end of the summer. Parents please label your child belongings (towels, lunch boxes, and bathing suits) this will help us as well as your child to identify his or her personal items.

Camp T-Shirts are required for field trip participation and are available for \$10.00 per shirt. Members please purchase swimming shoes. Without swimming shoes, members will not be allowed to enter the pool. Members are strongly encouraged to wear sunscreen. **CUT OFFS ARE NOT ALLOWED IN THE SWIMMING POOL!** Parents please refer to the summer manual for information on discipline procedures and other swimming information.

This year breakfast and lunch will be provided for camp participants; however, parents feel free to send your child with a lunch. These meals are provided by Lowndes County Schools Board of Education menus are provided in the summer information packet. Snacks are available at the club at 8:30 a.m. and 2:10 p.m. they may bring their own or purchase some from the club. Healthy snacks will be available.

The Technology Lab will be available this summer; however, in order for your child to have access to the internet we must have an internet permission slip form on file. If you have not filled out a form, please do so. Forms are available at the front desk.

With your help, we look forward to fun and exciting summer.

Sincerely,

Boys & Girls Club of Valdosta Staff
